Este manual es para miembros de Medicaid quienes están inscritos en el Plan de Salud Mental Prepagado (PMHP) de Utah Medicaid. Si usted vive en el condado de San Juan, su proveedor de PMHP es San Juan Counseling (SJC). SJC provee los servicios bajo la dirección de Northeastern Counseling Center (NCC). En el manual, a veces le van a decir que llame a NCC en lugar de SJC.

We will give you urgent care for conditions that need to be taken care of right away, but that are not emergencies. If you need urgent care, we will see you within *5 working days*. If you do not have an urgent need for care, we will see you within *15 working days*. If your condition changes and you think you need to be seen sooner, call us at **435-678-2992 or 1-888-833-2992**.

Where do I go for mental health or SUD services?

Our office is located at:

San Juan Counseling
735 S. 200 W. Suite 1
Blanding, UT 84511

For appointments call us at 435-678-2992 or 1-888-833-2992.

Section 7: Choosing Providers

Can I choose my SJC provider?

Yes, you can talk to us at any time about the SJC provider you would like to see. Call us at **435-678-2992 or 1-888-833-2992**.

Does SJC have a provider list and where can I find it?

SJC has a list or directory of all our mental health and SUD providers. You can see our list on our website at www.sanjuancc.org/about. Our list also includes other community providers that can provide some services.

Can I get outpatient mental health or SUD services from a provider outside SJC?

In some situations, you can go to a provider outside of SJC. You and the provider must get approval before you get services outside SJC.

If you want services from a community provider on our list, or from a community provider not on our list call us at **435-678-2992 or 1-888-833-2992**.

When will I be told if I can get services from a provider outside SJC?

We can usually decide within 7 calendar days after you ask. If you or your provider want us to take more time to make a decision, let us know. Sometimes we might need more time to make a decision. Medicaid lets us take up to another 14 calendar days to make a decision. If we need to take more time, we will let you know in writing. If you are unhappy that we need more time, you can file a grievance. (See Section 15, *Grievances*)

If you or your provider think it is important to make a decision quickly and we agree, we will try and make a decision in 72 hours. If you want us to take more time, or if we need more time to make a decision, Medicaid lets us take up to 14 more calendar days.

We will give you our decision in writing and also let the provider know our decision.

If we do not make a decision as soon as Medicaid wants, this is an adverse benefit determination (ABD). If we do not approve the service or, approve less than you or the provider asked for, this is an ABD. We will send you a letter explaining that you can ask for an appeal of the decision. See Section 12, Adverse Benefit Determinations, and Section 13, Appeals.

Are there any outpatient mental health and SUD services that do not need approval from SJC?

You do not need approval from SJC to get emergency services. (See Section 8, Emergency Services)

You do not need approval from SJC to get mental health and SUD services from a federally qualified health center (FQHC).

If you are an American Indian or Alaska Native, you do not need approval from SJC to get mental health and SUD services from an Indian health provider. An Indian health provider is Indian Health Services, an Indian Tribe, Tribal Organization, or an Urban Indian Organization.

Can I get a second opinion?

Yes. You can get a second opinion about your mental health or SUD problem or services. There is no cost to you for a second opinion. If you would like a second opinion, call SJC at **435-678-2992 or 1-888-833-2992**. Ask for the Clinical Director or Chief Executive Officer.

Section 8: Emergency Services

What is an emergency?

- When you think your life is in danger;
- When you believe you might harm yourself or others;
- When your safety or others' safety is at risk.

What are emergency services?

These are mental health or SUD services given to treat your emergency.

How do I get emergency services?

- Call or text the national Suicide Prevention and Crisis Lifeline at 988, 24 hours a day, 7 days a week, including holidays. You will be connected with a Utah crisis worker.
- Monday-Friday, between 8 a.m. and 5 p.m., you can call SJC and ask to talk to a crisis worker.
If you don't want to call us first, go to our SJC office (See page 4). Tell the staff you want to see a crisis worker.
- Day or night, you can go to any hospital emergency room (ER) for emergency care. Even if you are out of town, go to the nearest hospital ER.
- You can go to any mental health or SUD provider, even if they are not an SJC provider.

Section 9: Mental Health Care in a Hospital

How do I get mental health care in a hospital?

Mental health care in a hospital after an **emergency** is usually called post stabilization care services.

SJC uses Aspen Grove Behavioral Hospital – 1350 East 750 North, Orem, UT; and
Huntsman Mental Health Institute (HMHI)-501 Chipeta Way, Salt Lake City, UT

If one of these hospitals or another hospital treats your emergency and wants to admit you, the hospital **MUST** call SJC at **435-678-2992 or 1-888-833-2992** to ask for approval. Let the hospital know SJC is your Medicaid mental health provider so they can call us if they want to admit you. We might have you stay at that hospital, or we might send you to another hospital.

Section 10: Payment for Services

Will I have a co-payment (co-pay) for outpatient mental health or SUD services?

There are no co-pays for outpatient mental health or outpatient SUD for any Medicaid members.

The Utah Medicaid Member Guide has information on co-pays. The guide also includes information on Medicaid member groups that do not have co-pays on any Medicaid services. The guide is online or ask for a paper copy.

- *Utah Medicaid Member Guide* at [Medicaid.utah.gov](https://www.medicaid.utah.gov)
- Call Medicaid at 866-608-9422

Hospital Emergency Room (ER) Services

Will I have to pay for emergency services in an ER?

You will not have to pay for emergency services in a hospital ER. If you have co-pays, there is a co-pay if you use the ER when it is not an emergency.

Mental Health Care in a Hospital

Will I have to pay for mental health care in a hospital?

If you have co-pays, the hospital can charge you a \$75 co-pay for each hospital stay but you will not have to pay more than the co-pay.

Outpatient Mental Health and Substance Use Disorder Services

Will I have to pay for mental health or SUD services?

Non-Emergency Outpatient Services

You might have to pay your provider for a **non-emergency** outpatient service if:

- You get a service that is not covered by SJC or Medicaid; or
- You get a service that is not pre-approved by SJC; or
- You do not go to an SJC provider.

If any of the above happens, your provider might ask you to pay for the service. You should only be billed for the service if all four things below are met:

- The provider has a written policy for billing all patients for services that are not covered, not just Medicaid patients.
- The provider tells you before you get the service that you will have to pay for the service.
- You agree to pay for the service; and
- There is a written agreement signed by you and the provider that says what the service is and how much you will have to pay.

NOTE: If SJC did not approve a service you or your provider asked for, you can ask for an appeal before you agree to pay the provider for the service. See Section 13, *Appeals*, for more information on appeals.

You might also have to pay your provider for a nonemergency service if:

- You ask for and keep getting services during an appeal or a Medicaid fair hearing. You would only have to pay if the appeal or fair hearing decision is not in your favor.
- You are not on Medicaid when you get the service.

Emergency Outpatient Services

You will not have to pay for emergency outpatient services.

Ambulance Services for Emergency Care

You will not have to pay for the ambulance.

- Be involved in your treatment plan and care.
- Tell SJC and your Medicaid eligibility worker of changes in your address, phone number, or insurance.
- Complete surveys about the services SJC has given you.
- Respect the property, comfort, and confidentiality of clients and staff, and
- Notify your treatment provider when you want to stop getting services.

Section 12: Adverse Benefit Determinations (ABD)

What are adverse benefit determinations?

Adverse benefit determinations are when SJC:

- Denies (turns down) or approves fewer services than you wanted.
- Denies all or part of a payment to an outside provider for a service that you might have to pay for.
- Does not offer your first appointment within the required amount of time for emergency, urgent, or non-urgent care and you are not happy with this. (See Section 6, *Getting Mental Health, and Substance Use Disorder Services*.)
- Does not settle an appeal or grievance you have with us as soon as Medicaid wants us to.
- Does not make a decision about approving services you or a provider have asked for as soon

as Medicaid wants us to.

- Your provider reduces, suspends, or stops a service previously approved. If you agree with the change, it is not an adverse benefit determination. It is only an adverse benefit determination if you tell us you don't want the change.
- Denies your request to dispute a financial liability.

How will I know if SJC is making an adverse benefit determination?

Northeastern Counseling Center (NCC) will send you a letter called a Notice of Adverse Benefit Determination. You can ask for an appeal if you disagree.

Section 13: Appeals

What is an appeal?

An appeal is our review of our adverse benefit determination (ABD) to see if we made the best decision. If the ABD is because we did not settle your appeal as soon as Medicaid wants us to, we will send you a letter. In the letter, we will explain that you can now ask for a Medicaid fair hearing and how and when to ask for one. (See Section 14, Medicaid Fair Hearings.)

Who can ask for an appeal?

You, your legally authorized representative, or your provider, can ask for an appeal.

When can I ask for an appeal?

Your ABD letter will give you information on how to ask for an appeal. You must ask us for an appeal within 60 calendar days from the date on the ABD letter.

How do I ask for an appeal?

You can ask for an appeal:

- in writing using the appeal request form we gave you with your Notice of Adverse Benefit Determination letter. Send your written appeal request to:
NCC Clinical Director
1140 W 500 S #9
Vernal, UT 84078
- by calling us at **435-789-6300** or **1-844-824-6776**. Ask for the Clinical Director or Medicaid Specialist.
- by email to claims@nccutah.org

What if I need help asking for an appeal?

If you need help call us at **435-789-6300** or **1-844-824-6776**. Ask for the Clinical Director or Medicaid Specialist.

Can I keep getting services if I ask for an appeal?

When our adverse benefit decision is to reduce, suspend, or stop services SJC had already approved, you can ask to keep getting the services during the appeal. You must ask to keep getting services on or before the later of the following:

- 10 calendar days of NCC sending the Notice of Adverse Benefit Determination letter to you; or

- The effective date of our proposed decision to reduce, suspend, or stop services.

You can keep getting the services while we make our decision. You might have to pay for the services if the appeal decision is not in your favor.

If you are asking for an appeal of any other kind of adverse benefit determination and have questions about services during the appeal, call us at **435-789-6300** or **1-844-824-6776**. Ask for the Clinical Director or Medicaid Specialist.

When will NCC tell me the decision on my appeal?

Usually, we will give you a written decision no later than 30 calendar days from the day we get your appeal request. Sometimes we might need more time to make a decision. Medicaid lets us take up to another 14 calendar days to make a decision. If we need more time, we will let you know by phone as quickly as possible and in writing within two calendar days. Also, you might want us to take more time for some reason. If so, let us know.

Can I get a decision more quickly on my appeal?

If you or your provider thinks waiting 30 calendar days for our decision could harm your health, life, or ability to maintain or regain maximum function, you or your provider can ask for a quick appeal. This means we will usually make a decision within 72 hours. Sometimes we might need more time to make a decision. Medicaid lets us take up to 14 more calendar days to make a decision. If we need more time, we will let you know by phone as quickly as possible and in writing within two calendar days. Also, you or your provider might want them to take more time for some reason. If so, let us know.

If we deny your request for a quick appeal, we will let you know by phone as quickly as possible and in writing within two days.

How do I ask for a quick appeal?

You or your provider can ask for a quick appeal by:

- using the appeal request form we gave you with your Notice of Adverse Benefit Determination letter. Send or hand deliver your quick appeal request to:
Northeastern Counseling
1140 W 500 S #9
Vernal, UT 84078
- calling us at **435-789-6300** or **1-844-824-6776**. Ask for the Clinical Director or Medicaid Specialist.
- email to claims@nccutah.org

Section 14: Medicaid Fair Hearings

What can I do if I am unhappy with the appeal decision?

If you are unhappy with our appeal decision, or we cannot make an appeal decision as soon as Medicaid wants us to, this is what you can do:

You, your legally authorized representative, or your provider can ask for a fair hearing with Medicaid. In our appeal decision letter, we will tell you that you can ask for a fair hearing with Medicaid. The letter will tell you how and when to ask for the fair hearing. We will also give you the fair hearing request form to send to Medicaid. You must ask for a fair hearing in writing using the form we give you. You can also get a hearing request form from Medicaid by calling Medicaid at **801-538-6576 or 1-800-662-9651**.

If you have questions or need help filling out the form, call NCC at **435-789-6300 or 1-844-824-6776**, weekdays, 8:00 a.m.-5 p.m. Ask for the Clinical Director or Medicaid Specialist.

At a fair hearing, you can speak for yourself, or you can have a relative, friend, lawyer, or anyone else speak for you. Before and during the fair hearing, you, and any person helping you, can present documents. You, and any person helping you, can look at all the documents that will be used at the fair hearing.

When can I ask for a Medicaid Fair Hearing?

In most cases, you must ask for a fair hearing within 120 days from the date of our appeal decision letter.

If the fair hearing is about our decision to reduce, suspend, or stop services we had already approved you can ask to keep getting the services. To keep getting the services during the fair hearing process, you must:

- ask for a fair hearing within 10 calendar days after we send you the appeal decision letter; and
- on the hearing request form, ask that the services be continued.

You might have to pay for the services if the fair hearing decision is not in your favor.

If the fair hearing is about any other kind of decision we made, you can discuss your services during the fair hearing.

Section 15: Complaints/Grievances

What if I have a complaint about SJC or a provider?

If you have a complaint about anything other than an adverse benefit determination, this is called a grievance. A grievance could be a complaint about the quality of care. Other examples might be complaints about the rudeness of a provider, or a provider not respecting your rights.

Who can file a grievance?

You, someone you told us could help you, or your provider can file a grievance. A grievance can be filed at any time.

How do I file a grievance?

- You can tell your grievance to any SJC staff member; or
- You can call us at **435-678-2992 or 1-888-833-2992**. Ask for the Clinical Director or Executive Director.
- You can give it to us in writing. Give it to your provider or any staff member, or mail it to:
San Juan Counseling Attn: Executive Director

Call us at 435-678-2992 or 1-888-833-2992. Ask for the Clinical Director or Executive Director.

When will SJC tell me the decision on my grievance?

We will give you a decision no later than 90 calendar days from the day we get your grievance. Sometimes we might need more time to make a decision. Medicaid lets us take up to another 14 calendar days. If we need more time, we will let you know by phone as quickly as possible and in writing.

Once we make a decision, we will either talk to you about our decision on your grievance, or we will send you a written decision.

Section 16: Advance Health Care Directives

What if I am ill and can't make health care decisions?

You can give others instructions about your decisions for your health care. This is called an Advance Health Care Directive. This will tell us, in writing, what health care choices you want made if you get very sick and can't decide for yourself. There is one form with instructions. You must use this form. We can give you the Advance Health Care Directive form or you can get it at <https://ucoa.utah.edu>

Once you have filled out the Advance Health Care Directive form, be sure to give a copy to all your health care providers. Also keep a copy and give one to your family members. If you would like the form or need more information, please call us at **435-678-2992 or 1-888-833-2992**. Ask for the Clinical Director. You can also talk to your provider or case manager.

If you have an Advance Health Care Directive and there is a problem with it being followed, call the Utah Department of Health and Human Services at **801-273-2994 or 1-800-662-4157**.

Section 17: Privacy

Will my record be protected?

SJC follows federal laws about privacy of your mental health and SUD services record. SJC does not use or share your protected health information except as federal law allows. When allowed by federal law, only the minimum necessary information is shared. We will talk to you about privacy when you first come to SJC or your provider. You can also ask about your privacy rights any time. Talk to your provider or call us at **435-678-2992** or **1-888-833-2992**.

Section 18: SJC Operations

What if I want to know more about how SJC is set up and works?

We will answer any questions you have about how we are set up. You can ask questions about our grievance system, billing practices, confidentiality policy, and how we choose providers and what is required of them. If you ask, we will give you a copy of our Preferred Practice Guidelines for mental health and SUD services. Call us at **435-678-2992** or **1-888-833-2992**. Ask for the Clinical Director or Executive Director.

Section 19: Fraud, Waste and Abuse

What is health care fraud, waste, and abuse?

Doing something wrong related to Medicaid could be fraud, waste, or abuse. We want to make sure that health care dollars are used the right way. Fraud, waste, and abuse can make health care cost more for everyone.

Some examples of fraud, waste, and abuse are:

By a Provider

- Billing for services that have not been provided.
- Not reporting a patient's misuse of a Medicaid card.

By a Medicaid Member

- Changing the amount or number of refills on a prescription.
- Giving their Medicaid card to someone else to use.
- Not being truthful to get on Medicaid.

How can I report fraud, waste, or abuse?

If you think there might be fraud, waste, or abuse, you can call us at **435-678-2992** or **1-888-833-2992**. Ask for the Clinical Director or Executive Director. You can also call NCC at **435-789-6300** or **1-844-824-6776**. Ask for the Clinical Director or Medicaid Specialist.
